

## Media Release – Terra Fairs

The parent/guardian signature on this form grants permission to Terra Science and Education and the regional science fair to download photographs or video of the student and/or project for promotional, educational, and safety purposes. Rights to compensation or remuneration are waived. All photos and video taken become the property of Terra Science and Education and the regional fair. By signing this form, permission is given to publish your child's name on the website or media.

If the parent/guardian does not wish photographs or videos to be taken, a separate letter must be written, signed, and the original copy received by March 1 of this year by: TerraFairs, Terra Science and Education, Attn: Media Release Letter, 835 West Genesee Street, Syracuse, NY 13204.

I give permission to Terra Science and Education and the regional science fair to take photographs or video of the student and/or project for promotional, educational, and safety purposes. Rights to compensation or remuneration are waived. All photos and video taken become the property of Terra Science and Education and the regional fair.
